

ARISE CENTRE

RL System: Ultratherm MSR
Location: Petone
Project Date: 2017

Architect: BBC Architects
Contractor: Armstrong Downes Commercial
Installer: Turfrey Ltd

PROJECT DESCRIPTION

Across the road from the Petone Railway station is the New Zealand headquarters of Arise Church. This building houses a 1400-seat auditorium in part of a three-story complex. The site, measuring half a hectare, is situated between the highway, the Mackenzie Ave overbridge, and Pito-One Rd at the base of Korokoro.

The extensive 4576-square-meter complex includes around 1000 square meters of office space for church staff. It features a spacious foyer, an outdoor plaza, and facilities for children.
